

**CITY OF ORANGE
MEMBER OF THE CITY COUNCIL**

TERESA "TITA" SMITH

AGE: 57

OCCUPATION: Orange Planning Commissioner

Dear Neighbor:

Orange needs leaders who have a vision for our city's future and understand how to preserve our quality of life.

As an Orange Planning Commissioner for the past 12 years, I have led the fight to manage growth responsibly in order to protect our neighborhoods from traffic while preserving precious open space. Each part of Orange has a unique character that must be treasured.

Nothing is more important to our quality of life than public safety. When it's time to make the tough budget decisions, my priority will be ensuring that our police officers and firefighters have the resources they need to protect us.

I am a fiscal conservative who will fight to keep taxes low, encouraging economic growth and keeping property values high.

As a lifelong Orange resident with grandchildren here, I care about our city's future. When Old Towne Orange was at risk for demolition in the early 1980s, I founded the Old Towne Preservation Association to bring our heritage back to life. Now, Old Towne is thriving.

As your City Council member, I will bring that same leadership to all of Orange - our neighborhoods, businesses and families.

I would appreciate your vote for City Council.
